

KPL HOTSPOT

Quick Start Guide

Charging Port

Power Button

1. Press and hold the Power Button for 7 seconds. You don't need to use the plug or cord— they're used to recharge the device.
2. Wait about 30 seconds for the device to move through several screens.
3. Once “Sprint” is displayed on the screen, press the power button to display the Wi-Fi name.
4. Press the power button again to display the hotspot’s password.
5. In the Wi-Fi settings of your computer or device, choose the hotspot name and enter the hotspot password.
